Message from Fr. Frank Kordek, OFM

Like Mary, we have to trust God and know like Mary, that God is with us. Knowing that we are family, to and with one another, and that the Lord is with us, now and in our need, together we will be able to handle whatever tomorrow may bring.

The Lord speaks to us.

To you and to me in prayer. "Behold, I will be with you always."

We are family, united in prayer with and for one another.

Together and with the Lord, this too will pass.

We are doing our best to serve you at this time.

St. Mary's Catholic Church Masses to Resume Public Celebrations

updated 7/2/20

Message from Fr. Frank Kordek, OFM

Public Masses have resumed: Saturday, 4pm, and Sunday 7am and 11am. Also on Tuesdays at 5:30pm and at 8am on Wednesday, Thursday, and Friday. **No Communion Service on Monday at 8am.**

No one should feel obligated to attend. If you are high risk or living with someone who is high risk, you should not come. If you need assistance walking you should not come. If you have flu like symptoms or have been in contact with someone who has had the flu or exhibited symptoms you should not come. If you have had cancer, are diabetic, or have compromised health issues you should not come. Bishop James Powers has dispensed our obligation to attend mass. If you have any of the above situations please stay home, watch our recorded mass found on [Facebook page](#) or [St. Mary's website](#). You can still make a **spiritual communion**:

An Act of Spiritual Communion: My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen. "THANK YOU, JESUS."

We **MUST** comply with the following **Guidelines/Requirements**:

The following steps are not only to protect you but all that come to these services and those assisting to provide these services.

- Anyone with **Flu like symptoms** or a **temperature of 100.4** degrees or more, **PLEASE STAY HOME**.
- Any adults who attend Mass, **PLEASE WEAR A MASK**.
- As much as everyone will want to see and visit with each other, **DO NOT CONGREGATE OUTSIDE OR INSIDE THE CHURCH to talk to each other.** If you stop to talk to someone, or we get bunched up and Social Distancing goes out the window. **WE CAN BE FORCED TO CLOSE.**
- We **MUST** maintain the proper **6 Foot SOCIAL DISTANCING** between persons not living in the same household.
- We can allow up to 25% church capacity to enter the church. This allows us to have about 52 people in attendance for each mass. Varying by the number of immediate family members attending.
- There will be no congregational singing.
- Follow ushers'/volunteers' instructions.
- Follow tape guidelines on the floor and in the pews within the church.
- Pews are marked where to sit. 4 persons per pew. The only exception is families in same household.
- Door monitors will be at the doors to direct and monitor access and exit. They will be wearing masks.
- A basket for your weekly donation/envelopes is on a table as you enter the church.
- **Hand sanitizer** is at the entrance, exit, and one on aisle table. **Please use it.**
- **EXITING after Mass** - Parishioners sitting in pews on right side of the church facing the altar exit through the side door, those on the left side exit through the back door.
